General Web Site Layout

The web pages are consistent with its design and column positions all throughout the web site. It followed the Government Website Template Guideline using Joomla. It consists of 7 major sections. The sections are as follows:

1. The Top Bar contains the Main menu. It consists of the following:

- Seal of the Republic of the Philippines
- Home
- About Us
- Transparency
- Services
- Accessibility

- Site Map
- Contact Us
- Search box

2. The Mast Head contains the NCMB's header which consists of the logo and agency name.

3. The Banner contains the NCMB's slider that has images with excerpts and the Transparency Seal.

4. The Auxiliary Menu contains NCMB's other menus. It consists of the following:

- Regional Offices
- Forms
- Gallery
- Quality Manual
- Procedures Manual

5. The Content Area. It uses the 3-column format. The design specifications are:

- The left column has the Performance Governance System, Know Your Taxes.ph, Open Data Philippines links, Quick Links, Archives and Downloadables.
- The right column consists of the Tax Reminders, Downloadable Tax Calendar, Announcements, Lists, Links and Visitors Count.
- The center column contains the articles.

6. Standard Footer which consists of the Government Directory, Seal of the Republic of the Philippines, Copyright Placement

Other Instructions and Features
